PR: We are doing PR on this event to drive visitors here. This is the same date as the Wethersfield Historical Society's House Tour which happens to be mostly on Hartford Ave. As we are cross advertising, there will be a natural traffic flow. We have an Open House at the same time inside with registration for our Summer Youth Art Program with an artshow as well.

Please email (info@wethersfieldarts.org) an image of your artwork for possible PR use. Thank you!
